SUPPLEMENTAL DECLARATION OF CONDOMINIUM OF
LAGUNA POINTE CONDOMINIUMS, PHASE IV

WHEREAS, the Declaration of Condominium of Laguna Pointe Condominiums, made by Laguna Pointe, Inc., a Florida Corporation, for itself, its successors, its grantees, and assigns, hereinafter referred to as "Developer", is dated February 21, 2002, and was filed for record on February 25, 2002, in Official Records Book 4857 beginning at Page 617, of the Public Records of Escambia County, Florida, (hereinafter referred to as the "Original Declaration"); and

WHEREAS, the Developer reserved in the Original Declaration the right to expand the condominium by the filing of Supplemental Declaration(s) of Condominium of Laguna Pointe Condominiums, in the Official Records of Escambia County, Florida; and

WHEREAS, the Developer now desires to exercise said reserved right by filing herewith a Supplemental Declaration of Condominium of Laguna Pointe Condominiums, for Phase IV;

NOW, THEREFORE, the Developer makes the following declarations and files this Supplemental Declaration of Condominium of Laguna Pointe Condominiums, Phase IV, in the Official Records of Escambia County, Florida.

1. **PURPOSE**. The purpose of this Supplemental Declaration of Condominium of Laguna Pointe Condominiums, is to exercise those rights reserved to the Developer by the Original Declaration to expand Laguna Pointe Condominiums, by submitting the additional lands described in this instrument and improvements of such lands to the condominium form of ownership and use in the manner provided by the Original Declaration, as an addition to the Condominium. This expansion includes Phase IV as described in the Original Declaration.

(a) **Legal Description of the Supplemental Land** The lands owned by the Developer which by this instrument are submitted to the condominium form of ownership, as an addition to the Condominium, as set forth in the Original Declaration, are the lands lying in Escambia County, Florida, described in Exhibit A attached hereto.

(b) **Unit Identifications** The legal description of each unit shall consist of the identifying number of such unit, as shown in Exhibit "B" attached hereto, followed by the name "Laguna Pointe Condominiums, Phase IV". Every deed, lease, mortgage or other instrument may legally describe a unit by its identifying number as provided for herein above and each and every description shall be deemed good and sufficient for all purposes.

(c) **The Supplemental Survey, Graphic Description, and Plot Plans** The supplemental survey of the supplemental land and the supplemental plans for the supplemental improvements, in sufficient detail to identify the Common Elements (as defined in the Original Declaration), Limited Common Elements (as defined in the Original Declaration), and each unit in their respective location and approximate dimensions, are set forth in Exhibit "C" to this Supplemental Declaration.

(d) **Amendment of Supplemental Plans and Supplemental Declaration** The Developer reserves the right to change the interior design and arrangement of all units and to otherwise make whatever changes it may deem necessary in the Condominium drawings recorded

herewith as Exhibits "B" and "C" and this Supplemental Declaration until such time as fifty-one percent (51%) of the units have been sold. The amendment reflecting such changes need only be executed by the Developer; provided, however, that no such amendment unilaterally approved by the Developer shall change the configuration or size of any unit in any material fashion, materially alter or modify the appurtenances to the unit, or change the proportion or percentage by which the unit owner shares the Common Expenses and owns the Common Surplus, unless such amendment is also approved by at least a majority of the total voting interests of the Association.

2. EXPANSION OF DEFINITIONS. As provided by the Original Declaration, the definitions used in the Original Declaration are hereby automatically expanded to encompass and refer to the Condominium as expanded by prior Supplemental Declaration(s) of record in Escambia County, Florida, and by this Supplemental Declaration. Thus, for example, the "land" shall mean the real property described in Paragraph 1.3 of the Original Declaration, in Paragraph 1, subparagraph (a) above, plus any additional real property added by any other Supplemental Declaration(s) of record in Escambia County, Florida. All conveyances of condominium units after such expansion shall be effective to transfer rights to the Condominium as expanded, by reference to the unit number, the Original Declaration, prior Supplemental Declaration(s) of record in Escambia County, Florida, if any, and by this Supplemental Declaration.

3. SUPPLEMENTAL DECLARATIONS EFFECTIVE TO VEST SHARE OF NEW COMMON ELEMENTS IN OWNERS OF OLD UNITS. The recording in the public records of Escambia County, Florida, of this Supplemental Declaration of Condominium shall operate to vest in the owners of condominium units in the Condominium as it existed before the expansion, the respective undivided interest in the common elements and surpluses (including all added as a result of expansion) as set forth in Exhibit "B" which is attached and made a part of the Original Declaration and is attached hereto as Exhibit "D" for convenient reference. The recording of this Supplemental Declaration shall also vest in any mortgagee of any condominium unit in the Condominium as it existed before the expansion, a mortgage or security interest encumbering the undivided interest in the common elements and surplus (including all added as a result of this expansion) as set forth in Exhibit "B" to the Original Declaration (Exhibit "D" hereto) which are appurtenant to the condominium unit encumbered by the mortgage.

4. SUPPLEMENTAL DECLARATIONS EFFECTIVE TO VEST SHARE OF OLD COMMON ELEMENTS IN NEW OWNERS. Any land, unit, building or improvement added to the Condominium pursuant to this Supplemental Declaration shall be subject to all of the terms and conditions of the Original Declaration, prior Supplemental Declaration(s) of record in Escambia County, Florida, and by this Supplemental Declaration, and all of the condominium units shall be subject to condominium ownership with all of its incidents pertaining thereto as specified herein upon recording of this Supplemental Declaration of Condominium in the public records of Escambia County, Florida. The recordation of this Supplemental Declaration shall operate automatically to vest in the owners of the condominium units added by such expansion, the respective undivided interest in all the common elements and surplus of the Condominium as it exists after the expansion, including the common elements and common surpluses of any prior phase of the Condominium and the common elements and surplus of Phase IV of the Condominium as described in this Supplemental Declaration and exhibits attached hereto.

5. COMPUTATION OF FRACTIONAL UNDIVIDED INTEREST/SHARE IN COMMON ELEMENTS AND SURPLUS AND FRACTION AND MANNER OF SHARING COMMON EXPENSES. The computation of fractional undivided interest in the common elements and surplus and the fraction and manner of sharing common expenses is more particularly set forth in Exhibit "B" to the Original Declaration which is attached and made a part hereof as Exhibit "D" for convenient reference. It generally involves an allocation of such interest and share to the owners of condominium units in the condominium as expanded to include Phases I, II, III, and IV as is set forth in Exhibit "B" to the Original Declaration (Exhibit "D" to this Supplemental Declaration).

IN WITNESS WHEREOF, the Developer has executed this Supplemental Declaration on the 15th day of December, 2003.
